## Mag-Stripe Electronic Lock

Electronic Features

☐ Audit trail: records the last 500 lock openings including date, time and card user

☐ Non volatile memory (program)

☐ Masterkeying available

☐ Lock ensures accuracy by reading the card twice, once during insertion and once during removal

☐ Uses standard ISO/ABA mag-stripe cards

☐ Office mode (free access)

☐ Green and red LEDs to indicate lock status, including a low battery warning

☐ Deadbolt operates by a thumbturn inside the room for added guest privacy and security ("Do-Not-Disturb" Function)

☐ Capability to manage shifts

Physical Features

☐ Off-line installation (no wires required)

☐ Concealed screw design

☐ Corrosion resistant

☐ Special versions for outdoors (satin chrome)

☐ Power supply: 4 alkaline AA batteries (included), with 4 years life approx.

☐ Different finishes available: satin brass, antique brass, polished brass, satin chrome and polished chrome

☐ Handles: Barcelona, Toledo, Granada, Jerez and Sevilla lever designs available

☐ Size: 283 x 78 x 50 mm
